

What is xCode?

How many versions of xCode do you have?

Create a project call <Date>\_<name>

Your program should have a menu.

- 1- Your name
- 2- My guess on my grade for Java exam.

## Home work

1. (Initializing arrays with input values)
2. (Initializing arrays with random values)
3. (Printing arrays)
4. (Summing all elements)
5. (Finding the largest element)
6. (Finding the smallest index of the largest element)
7. (*Random shuffling*)
8. (*Shifting elements*)
